The objects of the charity are:

To do all such acts and things as may provide, promote or advance and assist in providing, promoting or advancing in the Isle of Man education through the medium of Manx Gaelic.

Summary of the main activities and achievements of the Charity during this accounting year in furtherance of its objects:

Mooijer Veggey has continued to run 2 Pre School Nurseries, where the aim is to introduce children to the Manx Language and Culture through activities, singing songs and rhymes and using regularly repeated simple words and phrases in Manx.

Mooijer Veggey also operated the Bunscoil Ghaelgagh in conjunction with DESC. The curriculum is taught entirely through the Manx Language.

Aims and Objectives which the Charity Trustees have set for the Charity in the future:

Mooijer Veggey wishes to expand its role to include dedicated resource development and a parental support agency role for Manx Gaelic similar to, but a more modest version of COGG <https://www.cogg.ie/en/>. Initially we would seek to employ a part time coordinator who would commission the production of resources for teachers, nursery leaders and
